Notes

3 chain counts as 1 treble at beginning of the round.

Join rounds with slip stitch to top of the 3 chain made at the beginning of the round.

If you are starting with a **new colour at the beginning of a round**, join the yarn in the new colour in the stitch after the 2 stitch gap at any bottom dip.

If you are using the **same colour at the beginning of a round**, slip stitch into the next stitch, then start the new round.

Special abbreviations

Cluster = Make 2 treble, 2 chain, 2 treble, into the 2 chain space at the point.
